TODAY'S ODDEST STORY.
From issue to issue, The Tribune
will print a story under the head of
"Today's Oddest Story" if material
for the story can be obtained. Here's
"today's oddest story."
Several months ago a young farm-

er of Anderson county married a
girl living in this city. A few months
after the marriage, the couple was
blessed (?) with a new arrival. The
parents of the husband persuaded
their son to leave the girl. Not long
ago the husband was caught in the
selective drag net. The husband be-
ing of the "slacker" type, wished to
avoid serving and aided by his par-
ents, begged the young wife to take
her husband back, in order that he
might claim exemption because of a
"dependent" wife and child. The de-
serted wife hasn't yet yielded, while
the husband is awaiting his turn to
be called.—Anderson Tribune.
North Carolina had a man who
wanted to be exempted but his wife
filed an affidavit saying that she could
get along better if they took her
husband. It had been a matter of
her supporting the family and to
take the husband would make the
burden lighter. They took him.

An Inside Bath
Makes You Look
and Feel Fresh
Says a glass of hot water with
phosphate before breakfast
keeps illness away.
This excellent, common-sense
health measure being
adopted by millions.

Physicians the world over recom-
mend the inside bath claiming this is
of vastly more importance than out-
side cleanliness, because the skin
pores do not absorb impurities into
the blood, causing ill health, while the
pores in the ten yards of bowels do.
Men and women are urged to drink
each morning, before breakfast, a
glass of hot water with a teaspoonful
of limestone phosphate in it, as a
harmless means of helping to wash
from the stomach, liver, kidneys and
bowels the previous day's indigesti-
ble material, poisons, sour bile and
toxins; thus cleansing, sweetening
and purifying the entire alimentary
canal before putting more food into
the stomach.
Just as soap and hot water cleanse
and freshen the skin, so hot water
and limestone phosphate act on the
eliminative organs.
Those who wake up with bad
breath, coated tongue, nasty taste or
have a dull, aching head, sallow
complexion, acid stomach; others who
are subject to bilious attacks or
constipation, should obtain a quar-
ter pound of limestone phosphate at
the drug store. This will cost very
little but is sufficient to demonstrate
the value of inside bathing. Those
who continue it each morning are
assured of pronounced results, both
in regard to health and appearance.

DARKEN GRAY HAIR,
LOOK YOUNG, PRETTY
Sage Tea and Sulphur Darkens So
Naturally that Nobody Can
Tell.
Hair that loses its color and lustre,
or when it fades, turns gray, dull
and lifeless, is caused by a lack of
sulphur in the hair. Our grandmo-
ther made up a mixture of Sage
Tea and Sulphur to keep her locks
dark and beautiful, and thousands
of men and women who value that
even color, that beautiful dark shade
of hair which is so attractive, use
only this old-time recipe.
Nowadays we get this famous mix-
ture improved by the addition of
other ingredients by asking at any
drug store for a 50-cent bottle of
"Wyeth's Sage and Sulphur Com-
pound," which darkens the hair so
naturally, so evenly, that nobody
can possibly tell it has been applied.
You just dampen a sponge or soft
brush with it and draw this through
your hair, taking one small strand
at a time. By morning the gray hair
disappears; but what delights the
ladies with Wyeth's Sage and Sul-
phur Compound, is that, besides
beautifully darkening the hair after
a few applications, it also brings
back the gloss and lustre and gives
it an appearance of abundance.
Wyeth's Sage and Sulphur Com-
pound is a delightful toilet requisite
to impart color and a youthful ap-
pearance to the hair. It is not in-
tended for the cure, mitigation or
prevention of disease.—Adv.

LEMONS WHITEN AND
BEAUTIFY THE SKIN
Make this Beauty Lotion Cheaply for
Your Face, Neck, Arms and
Hands.
At the cost of a small jar of ordi-
nary cold cream one can prepare a
full quarter pint of the most wonder-
ful lemon skin softener and com-
plexion beautifier, by squeezing the
juice of two fresh lemons into a
bottle containing three ounces of or-
chard white. Care should be taken
to strain the juice through a fine

cloth so no lemon pulp gets in, then
this lotion will keep fresh for months.
Every woman knows that lemon juice
is used to bleach and remove such
blemishes as freckles, sallowness and
tan and is the ideal skin softener,
whitener and beautifier.
Just try it! Get three ounces of
orchard white at any drug store and
two lemons from the grocer and
make up a quarter pint of this sweet-
ly fragrant lemon lotion and mas-
sage it daily into the face, neck, arms
and hands. It is marvelous to
smoothen rough, red hands.—Adv.

VINOL MAKES
GOOD BLOOD

Positive—Convincing Proof
Many so-called remedies for anae-
mia are only so in name. Their mak-
ers are afraid to prove their claims by
telling what their medicines contain.
The only way to be honest with the
people is to let them know what they
are paying for. Here is the Vinol
formula. When the doctor knows
what a medicine contains, it ceases
to be a "patent" medicine.
D. Cod Liver and Beef Peptones, Iron and
Manganese Peptones, Iron and Am-
monium Citrate, Lime and Soda Glycero-
phosphates, Cascaria.
Any doctor will tell you that the in-
gredients of Vinol, as named above,
will enrich the blood and banish anae-
mia and create strength. When the
blood is pure and rich and red, the
body is strong and robust.
You can prove this at our expense
because your money will be returned
if Vinol does not improve your health.
